

Part 1 Picture Description

Lesson 10

What Should He Do?

Example

He wasn't invited to
his friend's birthday party.

Answer

He should ask why he wasn't invited. Maybe they are not really friends, or maybe it was just a mistake. But he should find out what his friend really thinks about him.

What should he do?

1. His grades are lower than he expected and he is afraid that his parents will be disappointed.

2. His parents forgot his birthday.
