

Lesson 24  
I Am Sick

When I am not feeling well, I usually stay in bed instead of going to see a doctor. When I suffer from a cold, headache, or stomachache, if I get some rest I feel okay soon. I am scared of seeing a doctor and of getting a shot, and I hate taking medicine. But Mom is worried that I might get worse. She says it is better to see a doctor as soon as possible when I am sick.
