

Lesson 17

Explain "How to"

Example

Explain how to achieve your dreams.

Answer

First of all, I have to believe in myself and not listen to anyone who tries to discourage me. I must stop putting things off and keep trying, trying, trying. I know I cannot fail if I work hard until I succeed. That's the only way anyone can make dreams come true.

Tell how to do the following:

1. Explain how to prepare ramyun.

2. Explain how to use a vending machine.

3. Explain how to stay healthy.

4. Explain how to improve your English.

5. Explain how to become popular.

6. Explain how you make your parents happy.

7. Explain how to get more spending money.

8. Explain how to be famous.
