

Lesson 13

What Does It Mean? (1)

Example

Backseat driver

Answer

A passenger who constantly gives the driver unwanted advice, warnings, and criticism. Backseat drivers often make the driver irritated and nervous, making traffic accidents more likely. So, when you are riding in a car, you should try to remain silent and let the other person drive, even if you think he isn't doing a very good job.

Explain what these words mean:

1.
