

Lesson 26
Future Plans

This woman is a famous singer. Everywhere she goes, she is the center of attention. Everyone wants her autograph and to have a picture taken with her. She can't eat or go shopping or take a walk without being bothered. If she gets angry or frustrated, anything she says or does is widely reported. Even though she is rich and famous, sometimes she wishes she were just an ordinary person.

Comprehension Questions

1. What do people want to do when they see famous people?
2. Why can't celebrities lose their temper when they are disturbed by ordinary people?
3. Why do some famous people wish they were ordinary?

More Questions

4. What do you want to do in the future?
5. Do you want to be famous?
6. Do you think only famous people are happy?
