

Name: _____

Reading Forever

by Guy Belleranti

I read a good mystery
Stuffed full of thrills,
And then a ghost story
Spooky with chills.

I laughed through a joke book,
Read things that were true--
Books about animals,
Biographies, too.

I'll keep right on reading.
I've only begun.
I have learned many things.
Reading is fun!

1. What is this poem mostly about?
 - a. a person who enjoys reading fiction stories
 - b. a person who mostly enjoys reading biographies
 - c. a person who reads a book about magic
 - d. a person who enjoys reading different types of books

2. List two different types of books you like to read. Tell why you like to read these books.

ANSWER KEY

Reading Forever
