This bee wants food.

The bee finds some
food here.

This duck wants food.

The duck finds some food here.

This sheep wants food.

The sheep finds some food here.

Many animals like to eat plants.

Scaffolded Language Development

VERB FORMS Remind children that every sentence has a verb and that they need to practice remembering the forms of different verbs. Model for children how to say the forms of the verb *to want*. Say *I want. You want. She wants*. Have children repeat the forms of the verb after you several times. Read each of the sentences below. Have children chorally say the correct verb form.

1. He _____ to play.
2. Do you _____ some lunch?
3. I _____ to see my friend.

Science

Make a Chart Have children write the heads *Animals That Eat Plants* and *Animals That Eat Other Animals*. Help the children write three animals under each head.

School-Home Connection

Plants People Eat Have children talk about the book with family members. Suggest that children then talk about plants that people can eat. Plants may include fruits and vegetables.
