The monarch butterflies are here in California! They usually live in the north in the summer. Every winter, they spread their wings and fly south to Mexico because they don't like the cold.

Monarch butterflies are beautiful. They fill the sky with orange and black spots when they fly.

In the winter, the butterflies stop in California to rest. They are in all the trees. Winter is my favorite season because the butterflies are here. They are graceful, colorful, and wonderful.

Namaste from Mt. Everest, Nepal!

namaste = hello

We're not at the top of Mt. Everest because only mountain climbers can go there. But we can see the top!

We stayed with a host family in a small village last night. Everyone was very friendly. We ate curry and bread for dinner. It was delicious.

Summer is trekking season. It's too cold in the winter. Tomorrow, our guides will take us to the Everest Base Camp. We'll be at the top of the world!

What About You?

- What did you do last weekend? Did you go trekking in the mountains?
- Do you think you'll eat curry for dinner? What will you probably eat for dinner?
