August 14

Dear Diary,

I'm having a great time at summer camp! I have swimming every morning in the lake or the pool. After swimming, there are lots of activities. We can choose a different activity every day. I really like mountain climbing, hiking, and crafts. Canoeing is fun, but exhausting, too. Yesterday, we only tipped over once! It was great! My least favorite activity is bird-watching. It's so boring.

The food is really good. Sometimes we have barbecues at night. We always tell ghost stories around the campfire.

Tomorrow is the last day. I don't want to leave. I made a lot of new friends. I'll miss them! I'll miss the counselors, too. They're really nice.

This has been the best two weeks of the summer! But I can't wait to see my dog, Digger.
