Read the passage.

Sherlock Holmes

Detective books are very popular. In these books, a detective solves a crime. There are often a lot of suspects. However, only one person is the criminal. The detective has to catch the criminal. He or she tries to find clues. The clues help the detective catch the criminal. One of the most well-known detectives in literature is Sherlock Holmes.

Most detective books have a main character like Holmes. The story usually **develops** around this person. This is because he or she is interesting. ■ **1)** Holmes knows how criminals think. ■ **2)** He is very good at catching them. ■ **3)** He does this by looking at clues. ■ **4)** A lot of the main characters in detective books are like Holmes.

Also, most detective books have a surprise at the end. The Sherlock Holmes books always surprise readers. Many readers like to guess the end to a story. It makes them feel smart. However, most readers struggle with the Sherlock Holmes stories. They guess the wrong suspect. Sherlock Holmes is the only one who can figure out the crime each time. He is very smart. This is what makes these books so famous.

Other detective books also use surprise endings. However, the Holmes books were first. They were first published in 1887. This is why many people think that these books are the best. They are old, but they are still interesting.

Choose the correct answers.

- Which of the following is NOT true of detective fiction?
(A) There is more than one suspect in the crime.
(B) The detective discovers important information.
(C) There are multiple people who did the crime.
